Section 93-01 Abatement of Unsanitary and Unsafe Conditions.

The following enumerated and described conditions, or any combination thereof, are hereby found, deemed, and declared to constitute a detriment, danger and hazard to the health, safety, morals and general welfare of the inhabitants of the Town. They are hereby found, deemed and declared to be public nuisances wherever the conditions may exist within the corporate limits as now or hereafter established. The creation, maintenance or failure to abate any nuisances is hereby declared unlawful:

1. Any weeds or other vegetation having an overall height of more than eighteen (18) inches above the surrounding ground provided that the following shall not be considered to be a part of this condition: trees and ornamental shrubs; cultured plants; natural vegetation on undeveloped property that is not a threat to the character of surrounding properties; and flowers and growing and producing vegetable plants.
2. Any accumulation of trash, garbage, food waste and other trash which is the result of the absence of, or overflowing of, or improperly closed trash or garbage containers, that attracts or is likely to attract mice and rats, flies and mosquitoes or other pests.
3. An open or unsecured storage or collection place for chemicals, acids, oils, gasoline, flammable or combustible materials or flammable or combustible liquids, poisonous materials or other similar harmful or dangerous substances, gasses or vapors.
4. An open place, collection, storage place or concentration of combustible items such as mattresses, boxes, paper, automobile tires and tubes, garbage, trash, refuse, brush, old clothes, rags, or any other combustible materials collection.
5. An open storage place for old worn out, broken or discarded machinery, car parts, junk, tire rims, furniture, stoves, refrigerators, appliances, cans and containers, household goods, plumbing or electrical fixtures, old rusty metal, fencing materials or other similar materials.
6. Any accumulation of garbage, rubbish, trash, or junk causing or threatening to cause a fire hazard, or causing or threatening to cause the accumulation of stagnant water, or causing or threatening to cause the inhabitation therein of rats, mice, snakes, mosquitoes, or vermin prejudicial to the public health.
7. Any accumulation of animal or vegetable matter that is offensive by virtue of odors or vapors or by the inhabitation therein of rats, mice, snakes, or vermin of any kind which is or may be dangerous or prejudicial to the public health.

8. The open storage of any discarded ice box, furniture, refrigerator, stove, glass, building materials, building rubbish or similar items. The use of carports, open porches, decks, open garages and other outdoor areas that are visible from the street as a storage or collection place for boxes, appliances, furniture (not typical outdoor or yard furniture), tools, equipment, junk, garbage, old worn out broken or discarded machinery and equipment, cans, containers, household goods or other similar condition that increase the likelihood of a fire; may conceal dangerous conditions; may be a breeding place or habitat for mice, rats or other pests; or, create an unattractive condition or visually blighted property
9. A collection place for lumber, bricks, blocks, nails, building hardware, roofing materials, scaffolding, masonry materials, electrical supplies or materials, plumbing supplies or materials, heating and air conditioning supplies or materials or any other type of old or unusable building supplies (especially those with nails, staples or sharp objects and edges) unless such conditions are temporary in nature and caused by a current construction project in progress pursuant to a lawfully issued building permit.
10. Any building or other structure which has been burned, partially burned or otherwise partially destroyed and which is unsightly or hazardous to the safety of any person, is a continuing fire hazard or which is structurally unsound to the extent that the Code Administrator or his designee can reasonably determine that there is a likelihood of personal or property injury to any person or property entering the premises.
11. The placement, storage or use of upholstered sofas, couches, chairs or other indoor type furniture, appliances, seats removed from motor vehicles or other furniture not intended for outdoor use by the manufacturer, use on any open porch, carport, stoop, deck, veranda, terrace, patio or other outdoor area that is visible from nearby streets and sidewalks.
12. A collection place, pool or pond of stagnant or foul water or persistent dampness caused by overflowing septic tanks, manmade dams, open ditches, overflowing pipes, foundation trenches or other impoundments of any kind.
13. Barns or farm animal pens, pastures or enclosures for farm animals which are not kept sanitary and clean or otherwise become a collection place for animal waste and which because of the conditions associated therewith attract rats, mice, flies or other pests or emit foul odors that can be detected or noticed on adjacent properties or are otherwise not kept in a sanitary condition.
14. Dog lots, pens, pet enclosures of all kinds, outdoor areas where dogs or other pets are chained or kept or areas where dogs and cats are permitted to roam which become a collection place for dog, cat or pet waste and excrement and which attract flies or other pests, emit foul odors which can be detected or noticed on adjacent property or are not kept in a sanitary condition.

15. A collection place for sewage and sewage drainage or the seepage from septic tanks, broken or malfunctioning plumbing and sewer pipes or any other seepage of dangerous, hazardous or poisonous liquids.
16. A collection place for tree limbs, dried brush, dead vegetation, stumps or other decayed wood and materials or other similar rubbish.
