TOWN COUNCIL MEETINGS

**WELCOME TO THE
MINERAL SPRINGS
TOWN COUNCIL
MEETING.**

Mineral Springs Governing Board -

The Mineral Springs Town Governing Board is made up of the mayor and six council members. The mayor serves a two year term, while the council members serve staggered four year terms. Every two years one council member is elected by the other members to serve as the mayor pro tempore.

Meetings - The Mineral Springs Town Council conducts a regular meeting (as required by North Carolina General Statute) each month for the purpose of conducting town business on behalf of all property owners of the town. Regular meetings are conducted on the second Thursday of each month.

Public Comments -

The Mineral Springs Town Council provides a period of time at the beginning of each regular monthly meeting for public comment. Members of the

public are allowed three (3) minutes to make comments on any matters of concern. While the Town Council will not respond to those comments made at the meeting, please be assured that they are listening to your comments. In fact, your comments may turn into a future agenda item if the council feels that it is something that needs to be studied in the interest of public health, safety or welfare.

If you are interested in providing input, but do not wish to speak publicly please complete a Citizen Comment Sheet located at the back of the meeting room. The mayor and town council members often make themselves available after the meeting for individuals who wish to speak one-on-one. Contact information for the mayor and town council members are listed in this brochure should you wish to contact them outside of meetings.

In addition, town staff is available throughout the month to assist you with any questions or concerns that you may have.
